## YOU CAN BE THE ONE WHO MAKES THE DIFFERENCE!

In October 2022, The Open Door of Perquimans County purchased the former Andy's/Hwy 55 site on Creek Drive in Hertford. This facility will allow us to work towards eliminating hunger and improving the health and well-being of our community through access to healthy and nutritious foods, community education and advocacy.

The building will require a 1,000 foot addition, as well as major renovations. Grants are expected to fund a large portion of the construction and renovation costs, however, grant providers expect The Open Door to raise significant funds to demonstrate the support of our local community.

We began our fundraising with a Match Grant for \$50,000. While we have been blessed with many generous donations to help us towards raising \$50,000 to receive that grant, we are not quite there in raising our part to match the \$50,000.

We will continue to work to raise funds to apply to the Match Grant until they are met. Funds raised above the Match Grant will be added to our Capital Campaign Building Fund as additional funds are needed for the building renovations and addition.

Renditions by:

**No donation to large or too small.  
All donations are greatly appreciated.**
